Date: 1st February 2025

Media Release

Flick Anticimex grows its market share in Sunshine Coast, QLD through the acquisition of Aussie Professional Pest Control

Flick Anticimex continues its acquisition initiative in 2025 through the acquisition of Aussie Professional Pest Control and strengthens the local operations in Sunshine Coast, Brisbane across the residential and commercial service sectors.

Aussie Professional Pest Control is led by Clinton Taylor, who has been running the business for 15 years. During this time Aussie Professional Pest Control has grown the business to be a brand name with a strong reputation in the Sunshine Coast both amongst the residential and commercial customer base.

Clinton Taylor, Director of Aussie Professional Pest Control commented:

"Firstly, I would like to thank our team, suppliers, and customers for being part of our business for the past 15 years. Our success and achievements are a testament to our amazing team, and our passion to deliver exceptional customer service and professional pest control solutions to our clients. Being part of Flick Anticimex, leveraging from their international experience as part of Anticimex Group, will allow us to further improve the quality level of our services by offering our customers the latest innovative digital sustainable pest control solutions, whilst also offering our employee's new possibilities as being part of this growing global organisation."

Dallas Hall, Regional General Manager – North West Region, Flick Anticimex commented:

"I am very happy and enthusiastic about this merger as Aussie Professional Pest Control is a renowned and well-run business. Clinton has cultivated many relationships with residential and commercial customers over many years which have contributed to the success of Aussie Professional Pest Control. We are all looking forward to working together with the team, as their culture of excellence toward employees and clients aligns naturally with the way we do things at Flick. I have confidence that combining our decades of experience with the latest technological innovations will result in an even better customer experience."
